As required by IC 4-13-2-14.8:

Notwithstanding any other law, rule, or custom, a person or company whom has a contract with the State or submits invoices to the state for payment shall authorize in writing the direct deposit by electronic funds transfer of all payments by the state to the person or company. The written authorization must designate a financial institution and an account number to which all payments are to be credit.

ATTENTION - New requirements. Prior to award of this solicitation your business must register as a bidder at www.buyindiana.in.gov. Just click on "Register your Business to do business with the State" Please be sure to complete the Buy Indiana certification page. It is preferred that businesses register immediately so that delay of solicitation award would not occur. This registration is maintained by you and you may update your information at any time. It remains in the database and covers all solicitation responses you submit to any state agency. It is very important that it be kept current. If you do not have access to a computer, you may call 317-234-0234 for assistance with your registration.

All companies desiring to do business with state agencies must complete an "Indiana Economic Impact" form. The form asks for, among other information:

- a. The amount of the contract that is being allocated for payroll and benefits to Indiana residents
- b. The amount that is being awarded to Indiana subcontractors and suppliers
- c. The amount that is being subcontracted to Indiana certified minority and women owned businesses

The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the state.

NOTICE TO INDIANA SMALL BUSINESS BIDDERS

The vendor assures that if they are receiving this award based on the Indiana Small Business Preference that the vendor will be performing a minimum of 80% of the work involved with their own forces. This contract is not assignable either in whole or in part, nor shall it be subcontracted after award without the State's prior written consent.

By signing the certification page of the solicitation package you are certifying adherence to all bid requirements as well as the above notice.

If the M/WBE participation level will exceed or fail to meet the goals outlined in the contractor's proposal, you must notify the M/WBE office immediately at MWDDBE@idoa.in.gov. In the event that the contractor fails to report changes in participation attainment, demonstrate a good faith effort to reach the participation goals, pay the MBE and WBE in a timely manner or satisfactorily resolve any outstanding claims, the department may elect to withhold a disputed amount from the payments due to the contractor, suspend or terminate the contract, recommend suspension of the contractor's certification status with the public works division, and/or suspend, revoke, or deny the MBE or WBE certification and eligibility to participate in the MBE or WBE program per (25 IAC 5-7-8).
